# 2018 Summer

# Music Camps

Ethos offers fun and affordable summer camps for students of all skill levels.

Our full-day and half-day camps give kids (including beginners!) the opportunity to focus on their instrument of choice for a whole week. Campers are placed in small groups based on age and skill level where they learn the basics of an instrument, work as a team, create a band name, and put on a show at the end of the week.

## Camp Format

Each camp runs Monday through Friday. Full-day camps run from 9:00am-4:30pm. Half-day camps run from 9:00am-1:00pm. Young students must have prior experience with full day school. Ethos Music Camps are open to students of all abilities. Age requirements vary, see camp listings. Different instruments are featured each session. Students study technique, rhythm, and music theory while learning performance pieces and preparing for the final recital.

## Scholarship

Ethos offers scholarships for students qualifying for the free or reduced lunch programs at their schools. Families for whom the lunch program is not applicable (but have a comparable income to household size ratio) are also eligible.

To receive scholarship, please submit an eligibility letter from the student's school or other proof of assistance to admissions staff.

	Full Price	Reduced Lunch	Free Lunch

## Performances & Extra Activities

In addition to their regular music classes, Ethos campers participate in daily performing arts workshops and are treated to professional concerts and presentations such as jazz, rock, Taiko drumming, African drumming, Brazilian samba, classical chamber music, and electronic music. Every Friday campers put on a performance of their own for friends and family showcasing their week of hard work and practice!

All campers participate in choir and art every day. In choir they learn to sing with a large group and live accompaniment. Art activities include making instruments from recycled materials, paper mâché, painting, and creating their own band posters.
